

SHAIK KASHIF

Full Stack MERN Developer
Hyderabad, Telangana, India
Email: inspirationdev2@gmail.com
Mobile # +91 7013717836 / +91 8074075537

Professional Summary

Full Stack MERN Developer with hands-on experience building responsive web applications using MongoDB, Express.js, React.js, and Node.js. Skilled in developing RESTful APIs, implementing authentication, managing databases and creating user-friendly interfaces. Strong understanding of modern web development practices and passionate about building scalable software solutions.

Professional Experience

- 1) ReactJS Developer (Full-time) from **July 2025 – present** at **Inspiration Innovations**
 - Developed responsive ReactJS applications.
 - Built reusable components using Hooks.
 - Integrated REST APIs.
 - Fixed bugs and improved performance.
 - Worked with Git Source Control and Agile Methodology.
- 2) ReactJS Intern from **July 2024 to June 2025** at **Inspiration Innovations**
 - Assisted in developing ReactJS modules.
 - Converted UI designs into responsive pages.
 - Learned API integration and component-based architecture.
 - Participated in testing and debugging.

Technical Skills

- **Languages:** JavaScript (ES6+), HTML5, CSS3
- **Frontend:** React.js, Tailwind CSS, Bootstrap, Responsive Web Design
- **Backend:** Node.js, Express.js, REST API Development
- **Database:** MongoDB, Mongoose
- **Tools:** Git, GitHub, VS Code, Postman
- **Concepts:** CRUD Operations, Authentication, API Integration, MVC Architecture, Version Control

Projects

- 1) **Hotel Booking Application (MERN Stack)**
 - Developed a full-stack hotel booking platform using MongoDB, Express.js, React.js, and Node.js.

- Implemented user authentication, hotel search, booking management, and reservation workflows.
- Built RESTful APIs for hotel listings, bookings, and user management.
- Designed a responsive user interface optimized for desktop and mobile devices.
- Managed hotel and booking data using MongoDB with efficient schema design.

2) Real Estate Property Finder Application

- Built a responsive real estate platform for property buying, selling, and renting.
- Developed reusable React.js components for scalable frontend architecture.
- Integrated frontend interfaces with backend APIs to manage dynamic property data.
- Implemented CRUD operations using Node.js, Express.js, and MongoDB.
- Enhanced user experience through responsive layouts and optimized application performance.

3) School Management System

- A School Management System (SMS) is a comprehensive digital platform designed to streamline and automate the daily operations of educational institutions. It connects administrators, teachers, students, and parents through a centralized system that improves communication, efficiency, transparency, and academic performance.
- Academic Management, Student admission & enrollment, Class & section management, Subject Management and allocation, Time table
- Examination & Grading, Exam scheduling, Report cards, Performance analytics
- Attendance Management, Daily attendance tracking, SMS/email notifications for absentees, Attendance reports
- Fee & Finance Management Fee structure setup, Online fee payment integration, Invoice generation, Financial reporting, Discount management
- Human Resource Management: Teaching Staff records, Non-Teaching Staff
- Communication Portal: Parent-teacher communication with Notice, Announcements & circulars, SMS/email, Event calendar
- Reports & Analytics: Academic performance dashboards, Attendance analytics, Financial summaries, Customizable reports

Education:

- Bachelor of Commerce (Computers) graduated in 2026 from Kakatiya University, Telangana

Certification:

- Full Stack Web Development
- Naresh IT, Ameerpet, Hyderabad

Achievements:

- Built multiple full-stack web applications using the MERN stack.
- Developed and integrated RESTful APIs for real-world application workflows.
- Proficient in Git and GitHub version control practices.
- Strong understanding of CRUD operations, authentication, and database management.

Languages:

English, Hindi, Telugu, Urdu
